

PRIVACY PROTECTION

MAGEN, the world's most advanced privacy protection, is exclusively available for law enforcement. With the ability to scan billions of webpages, MAGEN constantly searches for any online exposure of your private information. Upon detection, our team swiftly sends removal requests on your behalf to suppress the information at its source, safeguarding your online privacy.

SEARCH CRAWLER

CUSTOM DEVELOPMENT

BUILD YOUR OWN SEARCH CRAWLER

Our team will develop your own search crawler based on advanced algorithms to scan and flag your private information online. It operates round the clock, 365 days a year, on your behalf, protecting your name.

REMOVAL REQUESTS

SENT ON YOUR BEHALF

SEND REMOVAL REQUESTS

As soon as MAGEN detects any webpages, files, or articles that expose your private information, our dedicated team will manage the removal process by sending targeted removal and opt-out requests on your behalf.

MONITORING

24/7/365

ADVANCED MONITORING FOR YOUR NAME

We do more than just monitor for exposed personal information; we also detect mentions of your name on anti-law enforcement websites and social media platforms. Our system is continuously evolving, offering unmatched capabilities that no one else can replicate to protect your name.

ALERTS

CRITICAL

CRITICAL ACTION ALERTS

When your personal information appears in business matters, court documents, or even a Facebook post made by a family member or friend, MAGEN will alert you. This allows you to swiftly address and mitigate any potential risks.

CLEAN GOOGLE

FOR PEACE OF MIND

REMOVE YOUR HOME ADDRESS FROM GOOGLE

We guarantee that malicious groups and individuals are kept away from your private information. Our team diligently works to ensure your home address remains unlisted on Google and other search engine platforms.”
