SDCERA Board,

On behalf of the San Diego County Deputy Sheriffs' Association, representing 2,537 deputies, the DSA strongly opposes any action be taken by the SDCERA pension system that would negatively alter its investment strategies based on politics.

The SDCERA Board has a fiduciary duty to administer benefits and manage Trust Fund investments to ensure financial security for all members and beneficiaries.

The County of San Diego must maintain a strong pension system with an investment strategy using this strict fiduciary duty to prioritize maximizing financial returns over fulfilling political or social mandates.

The health of the pension system is critical for the thousands of current retirees and the thousands of working employees who will depend on it in the future.

Sincerely,

Michael O'Deane
President
